Course Policies-
*All course assignments are to be submitted as e-mail attachments in Microsoft Word format. Yes, I’m picky about it, and may deduct points if I have too much trouble opening your assignments.

*Policy on plagiarism:  Anyone caught plagiarizing any exercise will receive a 0 for that exercise; subsequent violations will result in referral to the Vice Chancellor for Academic Affairs for dismissal from the university.

*Policy on incomplete:  To be considered for an incomplete in Biology 830P.85:
1.  You must submit the reasons you cannot complete the scheduled work.  This must include a copy of your class schedule and description of your responsibilities outside the classroom.  This should be done in writing and include confirmation from your employer or doctor when appropriate.
2.  You must specify the assignments you have missed and a schedule of plans to complete them.
3.  You must submit a copy of the above information to the Chair of the Department of Biology and the Dean of Natural and Social Sciences.
4.  Upon completion of items 1-3, your request for an incomplete will be considered.  I expect all students to progress through the requirements for Biology 822.80 in a timely fashion.  Unless your circumstance is quite remarkable, do not consider an incomplete.

*Tests and quizzes will not be rescheduled without valid reason.
