**IMPORTANT!**
This is an informal presentation, which could be a class project, group service project or your vision for impacting society or the environment.

Priority will be given to proposals that:
- Focus on one of the ADP civic engagement in action initiatives listed; however, presentations can be developed based on content sourced from related scholarship activity (i.e. undergraduate research, class project or presentation, student group project, external volunteer/service conducted by a Greek or Student Organization.)
- Are collaborative and involve multiple student groups or academic departments (multi-disciplinary).
- Involve applied learning elements: planned action or previous activity and/or research involving citizens as “Stewards of Place”.

*Top 5 will be presented $200. The best out of the 5 will be awarded an additional $300.*
