Minutes of the Academic Information Technology Committee
7 October 2004

Present: Greg Anderson (Chair), Joe Benz, Larry Hardesty (Library Dean), Dustin Kozal (Student Senate), Sri Seshadri, Deb Schroeder (AVCIT), Robert Walden

Absent: Vijay Agrawal

Guests: Scott Unruh (Faculty Senate Executive Committee), Darren Addy (Information Technology Services)

Chair Anderson called the meeting to order at 4:05 P.M.

The Chair introduced Scott Unruh.

Agenda

Using the B&T Faculty/Staff Survey of Computer Technology Usage, developed by Don Carpenter, as a model, the Committee created a draft of the TAC faculty survey on the use of information technology. The Committee completed the draft. Addy will create the survey in Opinio and provide a link, so the members can review the draft before the Committee’s next meeting.

Chair Anderson adjourned the meeting at 5:10 P.M.

Respectfully submitted,
Greg Anderson
Chair and Secretary
