ISAC Minutes

A meeting of the International Studies Advisory Council was held on Tuesday February 22, 2011 at 3:30 in Founders Hall 2147.
Absent: Sylvia Asay

The meeting began with a discussion of INTS assessment. Lilly noted that she had spoke with Jeanne Butler and it seemed possible for the Program to buy extra copies of TaskStream for INTS transfer students who would not necessarily otherwise need to purchase it, except for the GS capstone assessment and for our program assessment. Lilly will continue to look into this option.

There was some discussion of the Phi Beta Delta and ISO club. Rebeca Acosta is interested in serving as the ISO president and will organize a meeting as soon as she returns from Dubai on April 1.

The rest of the meeting focused on scholarship issues. Dallas Kenny has set aside some money from one of his funds to be used as tuition waver scholarship for international studies majors and minors but the money must benefit international students in some way. After considerable discussion the council agreed on a set of criteria for majors and minor that would include 3.0 g.p.a, course work in International studies, and service hours to the international community for all applicants. Lilly agreed to write up the criteria and send them around for comments, then discuss them with Dallas and then Mary Sommers.

The meeting adjourned at 4:30. Since Lilly will be in Sarajevo during the March meeting, the next scheduled meeting will take place April 26 unless something urgent comes up before then.
