Calvin T. Ryan Library Conference Room

Committee Members Present: Mary Iten, Rochelle Krueger, Joe Oravecz, Janet Wilke, Annette Moser, Tin-Lan Chen, Kiley Dibbern (Fine Arts and Humanities); Kasey Dietz (Business and Technology)

1. Called to order by Chairperson: Rochelle Krueger at 4:03 p.m.
   a. Approval of corrected minutes of meeting on November 30 (Motion: Approved unanimously).

2. Kasey Dietz discussed the Student Senate concerns about the Taskstream requirement for all students at a cost. The students would like to see some consideration for the students that were matriculated before 2010-11 catalog and the new general studies changes. The students believe that it is a University expense, not a student expense and that there should be clarity for “grandfathering” or to clearly indicate the cost in the technology fee.

3. Rochelle received a message from FS President, Aaron Dimock about the Faculty Senate Student Affairs committee charge concerning academic integrity. The task is to develop an instrument, electronic or otherwise, to report violations of academic integrity according to the Student Code of Conduct. Annette Moser suggested the feasibility of using MyBlue to post violations of academic integrity. Discussion centered on multiple infractions and who should contact each other so that one would be aware of violations. Kim Schipporeit may be a person to contact. Also, Centralization or tracking of academic misconduct could be handled by the Deans of academic schools and there should be levels of dishonesty from minor to major. Withdrawals and having instructors notified was also discussed. Instructors are not notified when a student withdraws from classes.

4. Dr. Oravecz discussed building plans on campus as they relate to students and wellness.

5. The next Meeting will be on March 8 at 4:00 in the Library Conference Room.

6. Meeting adjourned at 5:03 p.m.

Respectfully submitted,

Mary Iten, Secretary
