The Office of Residence Life

Mission Statement
The Office of Residence Life supports the UNK mission by providing students with a safe, well maintained environment in a community
that values academic success, personal growth, and civic responsibility. The Office of Residence Life is here to:

ENGAGE – students early in their college experience to connect them to the university.

EDUCATE – through programming that is student centered, with an emphasis on personal growth, achievement, and leadership development.

EMPOWER – students to become lifelong learners who are confident leaders who are prepared for their future endeavors beyond UNK.

BELONG – in a “living/learning” community that compliments their educational experience.

Residency Requirement
The Board of Regents and the University of Nebraska at Kearney require all full-time students under the age of nineteen (19) on the first day of fall semester to live on campus for one academic year. This residency requirement serves important educational and developmental purposes. Students prosper in stable living environments that are close to academic resources and organized student activities that promote social interaction and exposure to new and diverse life experiences, and that afford supervision, counseling, and other assistance as may be needed. On-campus residency provides unparalleled opportunities for multi-dimensional student development, and is part-and-parcel of the university’s broad educational program.

Housing Contract Exemption Policy
The Housing Contract Exemption Policy is strictly enforced. However, the University recognizes that some off campus living circumstances may closely approximate the advantages of on-campus residency. Also, some students may have living requirements that the University cannot accommodate on campus. After proper documentation and university inquiry, students may qualify for an exemption under the Housing Contract Exemption Policy. These situations are:

1. The student is living in the Kearney community with parent(s) or legal guardian(s), defined by UNK as no farther than thirty (30) miles from the Kearney campus address of: 905 West 25th Street, Kearney, NE 68849. Documentation for the legal parent/guardian’s principal address must include two forms: (a) government issued photo ID (such as driver’s license or passport) b) Valid NE vehicle registration, c) NE voter registration card, d) Federal, state, or local government documents, issued within the last 90 days, e) Valid real estate tax statement or receipt. Additionally if the student’s last name is different than the legal parent/guardian they are residing with, proof of guardianship is required such as birth certificate or guardianship.

2. The student is married. Marriage license and certificate is required.

3. The student is pregnant, or is the legal custodial guardian of a child. Birth certificate or Doctor’s note confirming pregnancy required.

4. The student will be living in certain off-campus facilities which approximate the educational advantages of residence hall living.

5. The student has a documented disability or medical condition which requires accommodation which cannot be adequately addressed in University housing. Exemption requests for medical or disability reasons must be made with Disability Services for Students (DSS), phone 308-865-8214, http://www.unk.edu/offices/academic_success/dss/. (Including disabilities protected by the American with Disabilities Act of 1990.) Additional disability documentation will be required through the DSS office.

Exceptions must be approved by the Office of Residence Life.

By federal law and University policy, room assignments and room changes cannot be made on the basis of race, color, religion, handicap, national or ethnic origin, or sexual orientation; however, we do reserve the right to deny housing to those who have been convicted of a crime or have pending criminal charges.

Lights must be turned off when leaving the room. Window decorations celebrating the current holiday are permitted to be displayed but cannot obstruct the window. Room doors may not be completely wrapped in paper due to fire hazard.

**Identification**
Misrepresentation or misuse of student identification is prohibited. Residents, visitors, and guests are required to produce their UNK ID or other picture ID (i.e. driver’s license) immediately upon request to a University official to verify their identity. Anyone who cannot show appropriate identification may be asked to leave the residence halls immediately. Misuse of the University ID card by allowing others to gain hall access is prohibited. Presentation of a false ID is considered criminal impersonation, which is a violation of Nebraska state law (Nebraska Rev. Stat. §28-638).

- All residents will be required to show the assisting residence hall staff member a picture ID either before or immediately after being let in the room to ensure the safety and security of all residents.
- Residents will be required to produce their key to the assisting residence hall staff member. If the key cannot be produced, the staff member will notify hall staff. The next business day, the hall staff will initiate a lock change at the resident’s expense.

**Littering/Trash**
Improper disposal of personal trash is considered littering. Residents are responsible for the proper disposal of their trash in the dumpster located outside their building. In the event that a resident litters in a public area (i.e. hallway, stairwell, lounge) or the surrounding grounds of the building, that student will be responsible for the cost of the clean up. Room trash and litter found in common areas will result in disciplinary action.

**Pets**
Only non-dangerous fish are permitted in the residence halls; all other pets are prohibited. Each room is allowed to have one aquarium no larger than 10 gallons. The cost of pest control and cleaning will be assessed to the student if this policy is violated. Students who wish to seek an accommodation should contact Disability Services for Students.

**Posting Policy**
All posting material must be approved and stamped by the Associate Director of Residence Life BEFORE copies are made for distribution. The number of copies to be made can be obtained at the Office of Residence Life.

**Prohibited Areas**
Unauthorized individuals are not allowed on the roof, overhangs, or awnings of any residence hall building or adjoining facilities. Unauthorized occupation and entry into any residence hall facility or student room is prohibited.

**Quiet Hours/Noise**
Quiet hours are established to provide periods during which noise and other disturbing activities are prohibited to allow residents a peaceful time to sleep and/or study. Courtesy hours are in effect twenty-four (24) hours a day and require that all residents and guests keep their noise to a level that does not interfere with others. Residents responsible for excessive noise and/or disruptive behavior will be subject to disciplinary action. Sound equipment may not infringe on the rights of others. At no time may amplified sound be directed out of windows. Quiet hours are Sunday-Thursday 11:00pm-10:00am, Friday and Saturday 1:00am-10:00am.

All residence halls will begin twenty-four (24) hour quiet hours on the Sunday prior to the start of finals week. Policy violations may result in immediate removal from the residence hall.

**Room Changes**
The unauthorized changing of rooms is prohibited. No room changes may be made the first two weeks or the last two weeks of each semester. Room changes are requested and considered on a case by case basis. The Office of Residence Life will not be requesting anyone to move out of a designated room because of a roommate’s discomfort.

Residents are not allowed to exit a residence hall through the emergency doors/fire exit except during an emergency. Suite bathroom doors may not be tampered with in any way. It is important that residents are security conscious in the halls, on the campus, and in the community. Students should be familiar with safety precautions. Residents should be aware of their actions and the potential danger that could be inflicted on other persons or property. The violation of a safety policy will result in residence hall probation and/or termination of the housing contract.

Sexual Misconduct Policy
The UNK Sexual Misconduct Policy applies to all persons involved in the operations of the University and prohibits unlawful harassment by any student or employee of UNK. Any attempt by a student or guest to physically or verbally harass a resident/student, or other University staff member because of the performance of his/her duty will be viewed seriously and result in disciplinary action, including the possibility of University suspension or expulsion.

The University of Nebraska at Kearney is committed to providing an academic environment free of harassment. Any incidents of harassment should be reported to a Residence Life staff member and UNKPD immediately. Depending on the circumstances, incidents of harassment will be handled through the appropriate office.

Vandalism/Damages
Damages, destruction or defacement of University property is prohibited. Common area damages are charged equally to all students residing in that area. If, however, an individual resident or group of residents is responsible for damage to the hall and can be identified, the responsible party will be required to pay the cost incurred.

RESIDENCE LIFE AND UNIVERSITY CONDUCT PROCESS

Any time individuals of varying life-styles come together to live in a community environment such as a residence hall, rules and regulations such as those previously described become necessary. When violations of these rules and regulations occur, the Residence Life staff is responsible for determining if action should be taken to protect the welfare of the community and/or the physical maintenance of the residence halls. The process by which action is taken comprises the Residence Life disciplinary process.

Resident Assistants and all other staff members must address any violation of which they become aware. Do not expect or ask staff members to ignore policy violations. Be aware that the staff is dealing
with an alleged violation of student responsibility, and this is not an indication of feelings about the student as an individual.

**Student Conduct and Residence Life**

Policies stated in the Residence Life Handbook are an extension of the University of Nebraska at Kearney’s Student Code of Conduct. On-campus residents are required to adhere to both the Student Code of Conduct and the Residence Life Handbook. Failure to comply with the policies stated in the Residence Life Handbook and/or Student Code of Conduct may be documented and referred to the Student Code of Conduct office.

**Student Rights**

Any time a student goes through the Student Code of Conduct process they have the following rights. The following information regarding student rights comes directly from the Student Code of Conduct:

Per Article IV, Section 2.5 of the UNK Student Code of Conduct, please be advised of the following rights and responsibilities:

a) You will be advised of the source and nature of the misconduct complaint that has been filed.

b) You are entitled to be accompanied by legal counsel or an advisor at your expense at any meeting or hearing relevant to the misconduct alleged in the complaint.

c) You are under no obligation at any time to admit the misconduct alleged or to make any other statement at any meeting or hearing relevant to the misconduct alleged.

d) Any statement that you may make can be used against you in the student in accordance with the Disciplinary Procedures.

**The Student Conduct Process**

Students who have potentially violated a Student Code of Conduct policy will be documented and referred to the Student Code of Conduct office. Once a documentation has been received it will be reviewed by a hearing officer who will then determine the next steps. If a violation has potentially occurred the hearing officer will contact the involved student(s) via email about setting up a hearing. Information and specifics about the code of conduct process will be given in the initial email communication.

At the start of a conduct hearing, a student is given the choice between an administrative disposition or a University Conduct Board hearing. An administrative disposition is an individual meeting between the conduct officer and the student(s) involved in the potential violation. The results of an administrative disposition are determined by the conduct officer and agreed to by the student(s) involved in the hearing. If a student does not agree with the outcome of the administrative hearing and/or fails to sign and return the administrative disposition form within three days the conduct case will be referred to the University Conduct Board for a hearing.

The University Conduct Board is made up of up of Faculty, Staff and Students. The University Conduct board will hear the case and make a decision. The University Conduct Board’s decision may be appeal but only for the following reasons:

- The information presented to and received by the Conduct Board was not sufficient to support its decision.
- The sanctions imposed by the Conduct Board were excessive and/or not in keeping with the gravity of the misconduct.
- The Conduct Board failed to follow the Disciplinary Procedures and that as a result of such failure the Student or RSO did not receive a fair and impartial hearing.

Should an appeal occur the case will be heard by the University Appeal Board for a final decision. The appeal board is made up of UNK faculty, staff and students who are separate from the University Conduct Board.

Detailed policies and procedures for conduct hearings can be found within the University Of Nebraska Student Code Of Conduct.

**Sanctioning**

In the event a student is held responsible for a policy violation, sanction(s) may be assigned. Below is a list of potential sanctions. Please note that this list is not exhaustive and the assignment of sanctions is determined by either the conduct officer or student conduct hearing board.

The following sanction(s) may be imposed upon any individual student found to be “in violation” of the University or Residence Life Conduct Rules and Regulations.

a. **Warning**: An oral or written notice that the student is violating, or has violated, one or more University or Residence Life Conduct Rules and Regulations and that a continuance of the misconduct may lead to additional conduct action. Also, that the incident has been documented and shall remain in the student's file for the remainder of their UNK career.

b. **Probation**: A formal, written reprimand for a student’s violation(s) of specified University or Residence Life Conduct Rules and Regulations. This probation, including strict campus conduct guidelines, is for a designated period of time and may remain in effect for the remainder of a student’s UNK career. It includes the University or Residence Life Policies during the probationary period.

c. **Loss of Privileges**: Denial of specified privileges for a designated period of time.

d. **Restitution**: Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary, and/or material replacement.

e. **Educational Sanction**: Educational Sanctions are meant to help students learn from their decisions and reflect on what they want to get out of the University experience. If you are involved with the conduct system it is likely that you'll have the chance to discuss and education sanctions that you think are appropriate.

f. **Referral**: The student is encouraged to complete all follow-up recommended from the referred office(s). Any costs or further actions associated with the referral are a responsibility of the student.

g. **Conduct Sanctions**: In accordance with the goal of education and assisting students with conduct problems, this may include work assignments, educational requirements, service to the University or Kearney community, parental notification, University suspension, University expulsion, or other related discretionary assignments or sanctions. Any costs associated with the assignment or sanction are the responsibility of the student.

h. **Residence Hall Relocation**: Moving a student from one residence hall to another.

i. **Residence Hall Suspension**: Separation of the student from the residence halls for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

j. **Residence Hall Expulsion**: Permanent removal of the student from any and all of the residence halls. Student may not re-enter the residence halls, under any conditions, even as a visitor. Students expelled from the residence halls remain liable for all Residence Life costs and meal plan fees and are not eligible for...
refunds for the full occupancy period of the UNK Housing Contract. Depending on the seriousness of the violation a referral may be made to the Assistant Dean of Students.

A student may be removed from the residence halls upon being found responsible of one or more violations of University or Residence Life Rules and Regulations. Termination of a student’s right to tenancy is not considered a denial of the individual’s right to an education.

Confidentiality & Privacy

Student records are official and confidential documents protected by one of the nation’s strongest privacy protection laws, the Family Educational Rights and Privacy Act (FERPA). Education records, as defined by FERPA, include all records that schools or education agencies maintain about students. Students have the right to review the contents of records, and challenge information they believe is not accurate. The review of records must be supervised by appropriate University personnel, and challenges must be directed through the appropriate administrative office. For a parent, legal guardian, or designated person to be given access to records, they must have legitimate need to know, and written permission from the student (this includes housing contract information, change of contract information, change of meal plan information, financial information, and conduct information). For more information on the law and procedures, contact the Dean of Student Affairs at 865-8528. All conduct records concerning Residence Life are confidential, and kept at the Office of Residence Life. The University has the right to notify parents if the student is a threat to self or others in accordance with FERPA.
