Halfway to Graduation Celebration For 2nd-Year Thompson Scholars

The TSLC Halfway to Graduation Celebration for 2nd-Year Thompson Scholars is on Sunday, April 7th from 6:00-8:00 PM. Scholars should arrive at the Holiday Inn (110 S. 2nd Ave, Kearney, NE 68847) between 5:40-5:55 PM to check in and find their table. Business attire is required for this event.

Dinner will be served followed by a program celebrating the completion of the second year of college; finally, we will take group pictures according to academic college. Students with academic conflicts during this event should have already contacted Yao Zheng. We look forward to celebrating with you on April 7th!

On Wednesday, March 27th, nine UNK TSLC alumni visited the UNK campus to present information about their undergraduate journeys and professional lives to the 1st-Year Thompson Scholars. Following the presentation, students networked with the alumni at an ice cream social served by TSU. Presenters included (Front row L to R): Stephanie Novoa, Janeth Barocio, Deysy Zamora, Rebecca Duran. (Back row, L to R) Colton Stuhr, Jorge Vera Chavez, Jesse Sutton, Tad Fuchs, and César Durán.

Priority Registration for Summer/Fall 2019 for 1st-Year Thompson Scholars

In Spring 2019, the priority registration day for 1st-Year Thompson Scholars to enroll for Summer and/or Fall 2019 UNK courses will be Monday, April 8th. A very detailed plan for TSLC priority registration has already been shared with the 1st-Year Thompson Scholars via email, and a brief description of the process is provided here.

Students who wish to take advantage of the TSLC priority registration day must meet with academic advisors to have advising holds lifted, as well as take care of any other student bills, holds or registration requirements. Students should have their desired Summer and/or Fall 2019 courses in their MyBlue “shopping cart” prior to 7:00 AM on Monday, April 8th. Students may not add more than one of the offered TSLC classes to their carts for priority registration. The list of classes for 1st-Year Thompson Scholars who will be starting their 2nd-Year in Fall 2019 are available on the UNK TSLC website: http://www.unk.edu/offices/tslc/_files/2018-2019AcademicPlanSheet.pdf

Students will have access as current 1st-Year Thompson Scholars to enroll in the classes in their cart using MyBlue between 7:00 AM and 5:00 PM on Monday, April 8th, 2019. Students should be aware that early registration is open at this time and UNK students who are not part of the TSLC program are also eligible to enroll. This may impact enrollment limits and some classes may be closed. The opportunity for priority registration is in no way a guarantee of successful enrollment and all registration restrictions and requirements apply.

Students should check their final registration for each semester on MyBlue to be certain they are enrolled for the correct classes and credit hours; please double check to be sure you have ENROLLED for the courses and have not left courses in the shopping cart. Students will need to work to resolve any issues with their registration after priority registration takes place online, with guidance from the TSLC as needed. Questions about TSLC courses and/or permits must be directed to Dr. Campbell; permits are not guaranteed for closed classes. Department Chairs and Instructors will not issue permits for TSLC classes.

Students who do not take advantage of the TSLC priority registration on the designated date will register according to the registration appointment time as shown on their MyBLUE account. Students who are eligible for other priority registration dates, such as students in the Honors Program, may utilize those processes if they prefer.

What is the best part about being a Thompson Scholar? I love the sense of community that comes with being a Thompson Scholar. I like being able to walk down the halls and see familiar faces.

Why were you given your name and does it have a special meaning? My dad wanted to name me Kadie, and said that it sounds like it is spelled with a “d” so that is how he wanted to spell it too.

What motivates you? I love being able to accomplish new things. Right now I am training for a half-marathon and its motivating me to be able to say I ran 13.1 miles!

What would you like to be doing in twenty years? I would like to be back in my home town, own a CPA firm, and have a family.

What do you binge-watch? Hawaii 5-0.

What would you be willing to wait in a really long line for? I would wait a really long time for guacamole.

What are you obsessed with? I am obsessed with shoes. I love getting some new kicks to wear around!

What are you grateful for? I am grateful for my family and the little town I grew up in.
